

Hasn't it been quiet?

WELCOME!!!!

Hi there welcome to the NZCCA Student rep email.

May I take this opportunity to introduce myself, my name is Scott Douglas, and I have recently stepped into the role of New Zealand Christian Counsellors Student rep. Role.

So a little about me; I recently graduated the Diploma in counselling through Vision College Hamilton. I carried out my study via a full time distance programme while living in Auckland. I still live in Auckland and attend Equippers Church City Campus in the Auckland City Town Hall. I work as a counsellor for Equippers Counselling part time.

I have recently become engaged and have a wonderful fiancé who I love very much. And with a fiancé comes a lot of wedding planning. But it is wonderful. I live in Royal Oak Auckland and find the city lifestyle very energetic and filled with its own challenge and reward.

As part of my role as student rep. I intend to come and visit the campus where you study and have a more personal encounter with you, letting you know about what is coming up in your area and the benefits of being part of the NZCCA as a student member.

Coming up in...

Auckland:

Speaking of what is coming up in the Auckland region there is a Dreams Workshop details under 'workshops' on the website.

Housekeeping

I must now address the issue of housekeeping in the email world,

If students no longer want me to email please let me know (I won't take it personally) but do tell me.

I would like to know if Students

- A) Want to be part of this email list yes / no
- B) If so, what training institute attended.

This will help me to not email something that's not wanted, and be help me to be better informed about where students are geographically.

Membership

Other important news if you want to register as a provisional member while still studying, you need to get your application into the NZCCA national office. Students need to have done 100 hours of face to face counselling, and be in their final year of study and you **MAY** be ask to attend an interview (if this interview is requested it will incur a cost). Applications need to be in before the 1st of November. I understand this is short notice but to be processed before the end of the year it is needed so it can be discussed at the next meeting of the executive of the NZCCA.

Application forms can be downloaded from the website <http://nzcca.org.nz/> , you are looking for the provisional membership form it is located in the "members" tab of the web page

Thanks so much for taking the time to read this. All the best for your interviews if you are in your final year of study and exams, and any assignments that may be looming!!!

Blessings

Scott Douglas.
