Internationally Accredited Emotional Freedom Techniques Training

with EFT Master Trainer Liz Hart

Grasp the essential practitioner skills in this quickstart program, incorporating Level 1 & 2 training, so you can begin to use EFT for yourself and with clients right away. Beyond basic tapping discover advanced techniques that allow you to work safely and effectively delivering faster results your clients can integrate easily. Learn to provide thoroughly tested results from structured processes with step-by-step guidance. Ongoing support and supervision is available after the workshop. No previous experience with EFT required.
